

PAYMENT CONDITIONS

Unless explicitly agreed differently, all our invoices are to be paid upon receipt for their total amount and without notice with legal interest from date of invoice. If payment is not received within 30 days after receipt of the invoice, the clauses of the law of August 2nd 2002 regarding overdue payments in trade transactions will be applicable.

All disputes should be motivated in writing and sent per registered mail with 14 calendar days after invoice date.

In case of disputes, only the courts in Antwerp will be competent.
